Directions

1. Go to spotifycodes.com

- a) Google “[Artist] [SongTitle] Spotify”
- b) “...” -> “Share” -> “Copy Song Link”
- c) Paste link -> “Get Spotify Code”
- d) Background: #FFFFFF (white)
- e) Bar color: black
- f) Format: SVG

2. Open SVG file in Adobe Illustrator

- a) Click on the white background, & delete
- b) Drag-select Spotify logo & code -> right-click -> select “Group”
- c) Set width to 1.8inches (keep aspect ratio), then rotate 270°
- d) Copy Spotify code group

3. Open spotify-front-back-template.ai

- a) Paste Spotify code to front keychain(s)
- b) Customize front and/or back with text or images!

4. Save file to a USB as:

Spotify-[YourName]-[MaterialColor].ai
